

INDIA PROBIOTIC SYMPOSIUM

Oth

Cutting Edge Science and Applications: Intestinal Microbiota and Probiotics The Suryaa, New Delhi 29th February 2020 and 1st March 2020

PROGRAM

SATURDAY	29th February, 2020	
12:00-13:00	Lunch	
13:00-14:30	Inaugural Session	
13:00-13:10		anguly w and Advisor, Professor of Eminence, hi, President, Gut Microbiota and Probiotic
13:10-13:30		K Brahmachari buncil of Scientific & Industrial Research and Former Secretary, strial Research, Government of India)
13:30-13:40		y Note Speaker: Prof. Rakesh Tandon of Gastroenterology, Pushpawati Singhania Hospital and
13:40-14:10	Key Note Address: Prof. Shiv Sa (Director, Institute of Liver and Bil Gut Microbiota Modulations And	
14:10-14:20	Book Release & Closing Remarl (Director, Institute of Home Econo	
14:20-14:30	GROUP PHOTOGRAPH	
14:30-16:00	Session I - (Role of Gut Microbio	ota and Probiotics in Gut Health)
14:30-16:00	Chairperson: Prof. Rakesh Tanc	
14:30-16:00	Chairperson: Prof. Rakesh Tanc (Prof. and Head, Department of G Research Institute, New Delhi) Co-Chairperson: Prof. Ajay Bha	on astroenterology, Pushpawati Singhania Hospital and
14:30-16:00 14:30-15:00	Chairperson: Prof. Rakesh Tance (Prof. and Head, Department of G Research Institute, New Delhi) Co-Chairperson: Prof. Ajay Bha (Director, Dept. of Gastroenterolo, Key Note Address: Dr. Masato I (Professor and Chairman, Divisior Surgery, Nagoya University Gradu	on astroenterology, Pushpawati Singhania Hospital and Ila gy, Fortis Hospital, Noida, Uttar Pradesh)
	Chairperson: Prof. Rakesh Tano (Prof. and Head, Department of G Research Institute, New Delhi) Co-Chairperson: Prof. Ajay Bha (Director, Dept. of Gastroenterolo, Key Note Address: Dr. Masato H (Professor and Chairman, Division Surgery, Nagoya University Gradu Synbiotic treatment to prevent pr extended surgery Prof. Vineet Ahuja (Professor, Department of Gastroe	on astroenterology, Pushpawati Singhania Hospital and Ila gy, Fortis Hospital, Noida, Uttar Pradesh) Nagino of Surgical Oncology, Department of ate School of Medicine, Nagoya, Japan)
14:30-15:00	Chairperson: Prof. Rakesh Tano (Prof. and Head, Department of G Research Institute, New Delhi) Co-Chairperson: Prof. Ajay Bha (Director, Dept. of Gastroenterolo, Key Note Address: Dr. Masato H (Professor and Chairman, Division Surgery, Nagoya University Gradu Synbiotic treatment to prevent p extended surgery Prof. Vineet Ahuja (Professor, Department of Gastroe Gut Microbiome in Inflammatory Dr. Kazunori Matsuda	on astroenterology, Pushpawati Singhania Hospital and IIa gy, Fortis Hospital, Noida, Uttar Pradesh) Nagino of Surgical Oncology, Department of ate School of Medicine, Nagoya, Japan) ostoperative infectious complications in patients undergoing Interology, All India Institute of Medical Sciences, New Delhi) Bowel Disorders: Hopes, Promises And Concerns
14:30-15:00 15:00-15:20	Chairperson: Prof. Rakesh Tano (Prof. and Head, Department of G Research Institute, New Delhi) Co-Chairperson: Prof. Ajay Bha (Director, Dept. of Gastroenterolo, Key Note Address: Dr. Masato I (Professor and Chairman, Division Surgery, Nagoya University Gradu Synbiotic treatment to prevent p extended surgery Prof. Vineet Ahuja (Professor, Department of Gastroe Gut Microbiome in Inflammatory Dr. Kazunori Matsuda (Laboratory Manager, Food Resea	on astroenterology, Pushpawati Singhania Hospital and IIa gy, Fortis Hospital, Noida, Uttar Pradesh) Nagino of Surgical Oncology, Department of ate School of Medicine, Nagoya, Japan) ostoperative infectious complications in patients undergoing Interology, All India Institute of Medical Sciences, New Delhi) Bowel Disorders: Hopes, Promises And Concerns
14:30-15:00 15:00-15:20 15:20-15:40	Chairperson: Prof. Rakesh Tand (Prof. and Head, Department of G Research Institute, New Delhi) Co-Chairperson: Prof. Ajay Bha (Director, Dept. of Gastroenterolo, Key Note Address: Dr. Masato H (Professor and Chairman, Division Surgery, Nagoya University Gradu Synbiotic treatment to prevent pre- extended surgery Prof. Vineet Ahuja (Professor, Department of Gastroe Gut Microbiome in Inflammatory Dr. Kazunori Matsuda (Laboratory Manager, Food Resea Effects of Probiotics on the Gut-E	on astroenterology, Pushpawati Singhania Hospital and IIa gy, Fortis Hospital, Noida, Uttar Pradesh) Nagino of Surgical Oncology, Department of ate School of Medicine, Nagoya, Japan) ostoperative infectious complications in patients undergoing Interology, All India Institute of Medical Sciences, New Delhi) Bowel Disorders: Hopes, Promises And Concerns

16:30- 18:00	Session II - (Role of Gut Microbiota and Probiotics in Health and Nutrition)
	<mark>Chairperson: Prof. Rama Chaudhary</mark> (Prof. and Head, Department of Microbiology, All India Institute of Medical Sciences, New Delhi)
	Co-Chairperson: Prof. Sunita Grover (Prof. and Head, Dairy Microbiology Division ICAR-National Dairy Research Institute, Karnal)
16:30 - 17:00	<mark>Key Note Address: Prof. Anura Kurpad</mark> (Professor, Division of Physiology & Nutrition, St. John's Medical College, Bengaluru, Karnataka) <mark>Food To Phenotype – Is The Gut Microbiome A Driver?</mark>
17:00 - 17:20	Dr. Hemalatha R. (Director, National Institute of Nutrition, Hyderabad) Vaginal And Gut Microbiome Diversity In Pregnant Women And Effect Of Probiotics
17:20- 17:40	Dr. Souvik Mukherjee (Asst. Professor, National Institute of Biomedical Genomics, Kalyani) Our Second Genome: Role of Metagenomics in Skin Health and Disease in Humans
17:40- 18:00	Discussions
SUNDAY	March 1, 2020
07:00-09:00	Poster Evaluation by International Jury
09:00- 10:30	Session III - (Gut Microbiota and Probiotics in Metabolic Health)
07.00 10.00	
	Chairperson: Prof. G. Balakrish Nair (Distinguished Professor, Human Microbiome Laboratory, Rajiv Gandhi Centre for Biotechnology, Trivandrum, Kerala)
	Co-Chairperson: Prof. J. B. Prajapati (Principal & Dean, Faculty of Dairy Science, SMC College, Anand Agricultural University, Gujarat)
09:00-09:30	Key Note Address: Dr. V. Mohan (Director, Madras Diabetes Research Foundation, Chennai, Tamil Nadu) Gut Microbiota and Probiotics in Diabetes
09:30-09:50	Dr. Sharmila Mande (Chief Scientist and Head, Bio Sciences Rand D, Tata Consultancy Services, Pune) Gut Microbial Metabolites: Applications In Health Monitoring
09:50-10:10	Dr. Hana Koutnikova (Danone Nutricia Research, Palaiseau, France) Probiotics In Obesity, Diabetes and Non-Alcoholic Fatty Liver Disease
10:10-10:30	Discussions
10:30-11:00	Теа

11:00-12:30	Session IV - (Emerging Science)
	<mark>Chairperson: Dr. Radhakrishna Pillai</mark> (Director, Rajiv Gandhi Centre for Biotechnology, Trivandrum)
	Co-Chairperson: Prof. Jyoti Prakash Tamang (Dean - School of Life Sciences, Sikkim University, Gangtok, Sikkim)
11:00-11:15	Dr. Santanu Chattopadhyay (GN Ramachandran Fellow, Rajiv Gandhi Centre for Biotechnology, Thiruvananthapuram, Kerala) <mark>Does lower GI microbiota influence upper GI disorder?</mark>
11:15-11:30	Dr. Subrota Hati (Assistant Professor, SMC College of Dairy Science, Anand Agricultural University, Anand) Production and characterization of novel of biofunctional Peptides derived from fermented milks using potential lactic cultures (in silico & in vitro study)
11:30-11:45	Dr. Kanthi Kiran Kondepudi (Scientist-E, National Agri-Food Biotechnology Institute (NABI), Mohali, Punjab) Impact of Prebiotics and Probiotics on gut bacteria in diet induced obesity
11: 45-12:00	Dr. Bhabatosh Das (Asst. Professor, Translational Health Science & Technology Institute, Faridabad, Haryana) Diet and the Gut Microbiome: Associations, Functions and Implications for Therapeutics
12:00-12:15	Discussion
12:15- 13:15	Meet the Experts
	Moderator: Prof. B. S. Ramakrishna (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai)
Panel Members	(Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation,
Panel Members	(Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava
Panel Members	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das
Panel Members	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das (Director, National Institute of Biomedical Genomics, Kalyani) Prof. Keya Lahiri
Panel Members	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das (Director, National Institute of Biomedical Genomics, Kalyani) Prof. Keya Lahiri (Prof. and Head, Department of Pediatrics DY Patil University, School of Medicine, Mumbai) Dr. Rajiv Khosla
Panel Members	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das (Director, National Institute of Biomedical Genomics, Kalyani) Prof. Keya Lahiri (Prof. and Head, Department of Pediatrics DY Patil University, School of Medicine, Mumbai) Dr. Rajiv Khosla (Senior Consultant, Max Super Speciality Hospital, Saket, New Delhi) Dr. Anju Pradhan Sinha
Panel Members	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das (Director, National Institute of Biomedical Genomics, Kalyani) Prof. Keya Lahiri (Prof. and Head, Department of Pediatrics DY Patil University, School of Medicine, Mumbai) Dr. Rajiv Khosla (Senior Consultant, Max Super Speciality Hospital, Saket, New Delhi) Dr. Anju Pradhan Sinha (Scientist F, Reproductive Biology and Maternal Health, Child Health, ICMR) Dr. A.K. Sharma
Panel Members	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das (Director, National Institute of Biomedical Genomics, Kalyani) Prof. Keya Lahiri (Prof. and Head, Department of Pediatrics DY Patil University, School of Medicine, Mumbai) Dr. Rajiv Khosla (Senior Consultant, Max Super Speciality Hospital, Saket, New Delhi) Dr. Anju Pradhan Sinha (Scientist F, Reproductive Biology and Maternal Health, Child Health, ICMR) Dr. A.K. Sharma (Consultant, Food Safety Standards Authority of India) Dr. Jagmeet Madan
	 (Director, SIMS Institute of Gastroenterology, Hepatobiliary Sciences and Transplantation, SRM Institutes for Medical Science, Chennai) Prof. A.K. Srivastava (Member, Agricultural Scientists Recruitment Board, New Delhi) Dr. Saumitra Das (Director, National Institute of Biomedical Genomics, Kalyani) Prof. Keya Lahiri (Prof. and Head, Department of Pediatrics DY Patil University, School of Medicine, Mumbai) Dr. Rajiv Khosla (Senior Consultant, Max Super Speciality Hospital, Saket, New Delhi) Dr. Anju Pradhan Sinha (Scientist F, Reproductive Biology and Maternal Health, Child Health, ICMR) Dr. A.K. Sharma (Consultant, Food Safety Standards Authority of India) Dr. Jagmeet Madan (National President, Indian Dietetic Association)
